Electronic Visuals EV-4151 Waveforms on the displayed as single or parade in both line and field timining. Manuals, Specs & Warranty; News Hi, I work for Charles Sturt University in Wagga Wagga, Australia and we are currently in the process of listing a number of items on eBay that people who use betacam may be interested in. The monitor has been checked to be sure it is OK Unfortunately, I have no maintenance manual for the or Can anyone out there point me in the direction of a likely cause/solution and/or related maintenance information? Thanks for any help.
